PUBLIC ADVISORY for VISA seekers.

This is to bring to your kind attention that a number of **fake visa websites** are operating on the internet/web claiming to provide "**e-Tourist Visa**" services to Visa applicants desirous of travelling to India.

2. There has been an increase in the number of complaints relating to frauds perpetrated by these websites. In order to mislead applicants, these websites have created home page templates mimicking the Government of India websites for e-Tourist Visa applicants, such as :

(i) e-touristvisaindia.com; (ii) indianvisaonline.org.in; (iii) e-visaindia.com

3. It may, therefore, be noted that the **correct/genuine Indian website** for granting e-Tourist Visa service is www.indianvisaonline.gov.in (.). All visa seekers are accordingly advised that for purpose of seeking 'e-Tourist Visa', only Government of India's authorised website i.e. www.indianvisaonline.gov.in - should only be relied upon/approached for 'e-Tourist Visa' services.
